From Your Pastor-

Today the Catholic Church has two special occasions to recall: World Communication Day and World Day of the Poor. World Communication Day was established by Pope Paul VI in 1967 as an annual celebration that encourages us to reflect on the opportunities and challenges that the modern means of social communication puts forth before the Church in communicating the Gospel message. The World Day of the Poor was established by Pope Francis and first observed on 19 November 2017.

The readings of the day appear to be eschatological in some sense. They speak of the end time, which would be preceded by severe persecution. And that would be an opportune time to bear witness to the Lord. In this era of rapid communication, we need to spend our earthly life, building our heavenly mansions by our good works, caring for the poor, being prudent in using communication media.

We should be ready to spend time in personal as well as community prayer and sacrifice at times. We need to learn to perceive the signs of the times and accordingly remind ourselves that the end of this world is sure to come. After having recognized, we must live our call to the fullest possible by igniting hope in the hopeless and in those poor souls who depict the face of Christ. We must personalize the fact that Jesus lives in the poor and accordingly stand firm in offering our assistance.

We pray that we be prudent in using Communication Media and get inspired to work for the upliftment of those who are still in the clutches of poverty.

**Yours in Jesus Christ,
Rev. S. Lucas, MSC
Pastor, St. John the Baptist Parish**

**A Message from
Regina Academy at
St. John the Baptist**

Greetings from Across Campus

This week at Regina Academy, our hearts were full as we honored the courage and sacrifice of our nation's veterans. On Tuesday, our students led a moving tribute filled with poetry, song, and reverence, expressing not only gratitude, but a deep pride in being American. Their voices rang with sincerity and joy, reminding us that patriotism begins in the heart of a child who understands the gift of freedom.

At Regina Academy, we don't just teach history; we help students discover their place within it. From the Revolutionary War to the workings of our government today, our curriculum invites children to see America not just as a nation, but as the soil where their story begins. It's a privilege to help them grow in knowledge, virtue, and love for the country that protects their right to live as disciples of Christ.

That freedom was beautifully celebrated again on Friday, as our student council hosted a school community Movie Night featuring King of Kings. Families gathered in fellowship to reflect on the life of Christ; an evening that reminded us how precious it is to practice our faith openly, joyfully, and together.

We are deeply grateful to our parish family for your continued prayers and support. Please know that you are in our prayers. You are helping us form students who know, love, and serve the Lord with courage and conviction. Please keep our children in your prayers as we continue this sacred work.

God bless you, and have a wonderful week.

Warmly, **Brian Dulin**, President
Regina Academy at St. John the Baptist
