

## Robert “Bob” Fitton June 27, 1934-September 29,2023

Robert “Bob” Fitton, recently from Spring Hill, FL and formerly from Kintnersville, PA; loving father, grandfather and great grandfather, died of heart failure on September 29, 2023 in Pennsylvania. He was 89 years old. He served in the Army during the Korean War. He earned his Bachelor’s degree from LaSalle University.

Married to Mary Lou (Koehler) Fitton for 49 years until her passing of cancer. Bob is survived by six kids: Charles Fitton (Maralee), Lisa Fitton (Betty Jane), Robin Thompson (Greg), Carol Helder (Tom), Scott Fitton (Aaron), Mary Hitchon (Bob). Six grandkids: Veronica, Morgan, Jason, Megan, Halie, Katie and one great grandson, Noah. His partner for the past 13 years was Jackie Neff.

Bob always lived life to the fullest, while enjoying time with family and friends. He enjoyed golf, the Phillies and Eagles. While in FL he couldn’t always watch the Phillies but when returning back to PA in June 2023, realized how he missed watching them! A night wouldn’t go by without many text messages regarding the team’s progress. In our heart of hearts we all know he was bummed to miss Red October.

Bob carried on his wife Mary Lou’s tradition of sending birthday and holiday cards to family members each year. He loved his grandkids and truly adored his new great grandson Noah. While his health was declining, he continued fighting to stay alive, and it made for Noah’s birth and then on to Noah’s 1st birthday! He was forever grateful to meet Noah at his home in FL earlier this year.

Bob totally enjoyed his time with Jackie in Spring Hill Florida, where they had great times golfing and attending many holiday events, clubhouse luncheons, dinners, and neighborhood parties.

Bob had a great passion for finance and investing. He always read magazines that include Money, Barons and Kiplinger, and always had a pulse on the stock market.

When his six kids were growing up, he and Mary Lou would always take their family on vacations to the Jersey shore or the Poconos each summer. Many times they roughed it in tents or campers. Bob would always say that they may not have a lot of money but they had a lot of LOVE!

A very private interment is planned with immediate family.
